KDEM and GoodWorks Group Partner to Accelerate GCC Growth in Karnataka

Date: 6th August 2026

Signed a strategic MoU with GoodWorks Group to strengthen Karnataka's Global Capability Centre (GCC) ecosystem by attracting global enterprises, enabling talent development, and driving innovation-led growth. The partnership will focus on expanding GCC opportunities, strengthening industry-academia collaboration, supporting global investor engagement, and advancing Karnataka's position as a preferred destination for global enterprises.

Advancing EV Localization and Green Mobility in North Karnataka

Date: 8th August 2026

Engaged with World Resources Institute (WRI India), Karnataka Chamber of Commerce & Industry (KCCI), and Belagavi Chamber of Commerce & Industry (BCCI) to strengthen EV localization opportunities across North Karnataka. The discussions focused on enabling MSMEs to participate in EV value chains, enhancing industry capabilities, and building stronger connections with OEMs, skilling agencies, and policy stakeholders to support a sustainable and competitive electric mobility ecosystem.

Karnataka Vision 2030 CSR Conclave: Advancing Inclusive Growth Through Partnerships

Date: 8th August 2026

Participated in the GBITCIA Karnataka Vision 2030 CSR Conclave, where KDEM CEO Shri Sanjeev Kumar Gupta shared insights on Karnataka's CSR landscape and the need for more distributed corporate social responsibility initiatives across the state. The session highlighted opportunities to strengthen public-private partnerships, expand CSR participation beyond Bengaluru, and align corporate investments with measurable impact areas including education, rural development, and community growth.

NIPUNA Karnataka: Launching Industry- Aligned Skilling in Shivamogga

Date: 10th August 2026

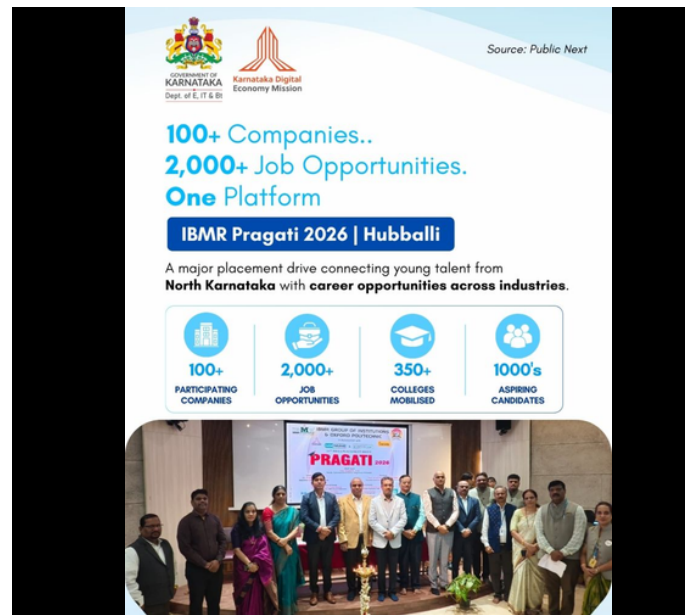

Participated in the NIPUNA Karnataka Programme batch at PES Institute of Technology and Management, Shivamogga, to strengthen digital skills and employability among youth. The initiative focuses on industry-aligned training, enabling learners to build relevant capabilities and access career opportunities while supporting KDEM's vision of developing future-ready talent across Beyond Bengaluru clusters.

IBMR Pragati 2026: Strengthening Talent- Industry Connections in North Karnataka

Date: 8th August 2026

Participated in IBMR Pragati 2026 at Hubballi, bringing together employers, academic institutions, and aspiring professionals to strengthen access to employment opportunities across North Karnataka. The placement drive connected 100+ companies, 350+ colleges, and thousands of candidates, creating pathways for 2,000+ job opportunities and supporting the development of a stronger regional talent and employment ecosystem under the Beyond Bengaluru vision.

Davanagere: Building the Next IT-BT and Startup Destination Beyond Bengaluru

Date: 10th August 2026

Engaged with key stakeholders to explore opportunities for strengthening Davanagere's IT/ITeS, startup, and innovation ecosystem. Discussions focused on developing the Global Technology Centre (GTC), expanding startup support infrastructure, strengthening incubation and mentorship opportunities, and enabling cluster growth to position Davanagere as an emerging technology destination under the Beyond Bengaluru vision.

Leadership Session on Global Investment Trends and Emerging Opportunities

Date: 12th August 2026

Organized a leadership and knowledge-sharing session in association with KSDA and 42 Learn, featuring Mr. Eric Savage, Co-Founder & CEO, Unitus Capital. The session explored emerging trends in global capital flows, the influence of AI, climate, financial services, and DeepTech on investment landscapes, and the opportunities these shifts create for Karnataka and India's innovation ecosystem.

Leadership Dialogues: Exploring New Themes in Global Investments

Date: 12th August 2026

Hosted the first edition of the Leadership Dialogue Series in association with Karnataka Skill Development Authority (KSDA) and 42 Learn, bringing together leaders and ecosystem stakeholders for discussions on global investments, emerging markets, and evolving capital trends. The session with Eric Savage, Co-Founder & CEO, Unitus Capital, explored the role of AI, DeepTech, resilience, sustainability, and strategic alignment in shaping future investment landscapes for India and Karnataka.

KDEM and JSS Mahavidyapeetha Partner to Strengthen EV Innovation and Industry- Academia Collaboration

Date: 17th August 2026

Signed an MoU with JSS Mahavidyapeetha (JSSMVP) to strengthen and operationalize the JSS EV Centre of Excellence across Bengaluru and Mysuru. The collaboration will enable industry-aligned skilling, applied R&D, startup and MSME engagement, and innovation across electric vehicles, semiconductors, connected mobility, and software-defined vehicles.

Exploring Sustainable Growth Opportunities Through Industry Collaboration

Date: 17th August 2026

Facilitated a strategic interaction between MITCON Consultancy and Engineering Services Ltd. and the Government of Karnataka to explore opportunities across sustainability, green skilling, innovation, technology, and regional development. The discussions focused on potential initiatives including a satellite office in Tumakuru, Environment Monitoring & ESG Lab, Green Skill Lab, R&D opportunities, and an Integrated Bio-Energy Park, strengthening pathways for industry-government collaboration towards sustainable growth in Karnataka.

DRIVE HDB 2026: Enabling EV Manufacturing Opportunities in Hubballi-Dharwad-Belagavi

Date: 18th August 2026

Supported DRIVE HDB 2026, an industry workshop in partnership with WRI India and Karnataka Chamber of Commerce and Industry (KCCI), bringing together OEMs, MSMEs, and ecosystem partners to strengthen EV value chains in the Hubballi-Dharwad-Belagavi cluster. The initiative aims to enable MSMEs and startups to explore opportunities in electric mobility, enhance manufacturing capabilities, and contribute to India's evolving EV ecosystem.

WITfluence 2026: Strengthening Karnataka's Technology and Innovation Ecosystem

Date: 18th August 2026

Partnered as the Strategic Partner for WITfluence 2026, an initiative focused on advancing technology, talent, and innovation in Karnataka. The collaboration aims to strengthen connections across the digital ecosystem, enable meaningful opportunities, and support the growth of a future-ready technology landscape through collective efforts.

France-Karnataka Innovation Connect: Showcasing Mysuru's Technology Ecosystem

Date: 18th August 2026

Facilitated the visit of the Consul General of France and delegation to Mysuru, enabling discussions around innovation, technology, startups, and industry collaboration. The engagement included visits to SJCE STEP, ExcelSoft, Schindler Campus, and CFTRI BioNEST Incubator, showcasing Mysuru's incubation ecosystem, technology capabilities, biotech and deep-tech strengths, and opportunities for deeper France-Karnataka collaboration.

Women Entrepreneurship Bootcamp: Building Future Women Entrepreneurs in Davanagere

Date: 22nd August 2026

Organized the Women Entrepreneurship Bootcamp in Davanagere to empower young women with entrepreneurial skills, confidence, and practical knowledge. The initiative brought together 100 selected girl students from 5 institutions for an intensive learning experience focused on ideation, collaboration, and building solutions with impact, strengthening entrepreneurship opportunities under the Beyond Bengaluru ecosystem.

”

“I thank the Government of Karnataka for the continued support extended to the Beyond Bengaluru initiative and for enabling the region’s growth. The state government and KDEM have created the platforms and support needed to build this momentum, and we are now seeing HDB’s growing potential as a technology and innovation cluster.”

MR B V NAIDU

Chairman, KDEM

France-Mysuru Innovation Connect: Showcasing Karnataka's DeepTech and Startup Ecosystem

Date: 22nd August 2026

Facilitated the visit of the Consul General of France to Mysuru, showcasing the region's growing startup and innovation ecosystem under the Beyond Bengaluru initiative. The engagement at SJCE-STEP highlighted Mysuru's incubation capabilities, deep-tech startups, research infrastructure, and opportunities for France-Karnataka collaboration across technology, innovation, and entrepreneurship.

K-Combinator: Accelerating High- Potential Startups in Coastal Karnataka

Date: 24th August 2026

Launched K-Combinator - Powered by TiE Nurture, Karnataka's first K-Combinator initiative, to support ambitious founders from the Udupi-Mangaluru and Coastal Karnataka region. The structured acceleration programme will provide startups with mentorship, market access, and a focused growth pathway to help founders build scalable ventures and strengthen the regional startup ecosystem.

Bengaluru Skill Summit 2026: Shaping the Future of Workforce Transformation

Date: 26th August 2026

Launched the Bengaluru Skill Summit 2026, bringing together government, industry, academia, and youth to drive conversations around future skills, employment, and workforce transformation. The summit will serve as a platform to explore strategies for building a future-ready workforce, strengthening industry-skill alignment, and advancing Karnataka's vision for Workforce 2030.

Startup X-Factor Session 5: Enabling Founders to Scale Through Connections and Insights

Date: 27th August 2026

Hosted the fifth edition of Startup X-Factor, KDEM's flagship startup engagement platform, bringing together founders, investors, ecosystem leaders, policymakers, and innovators. The session provided startups with opportunities to gain expert insights, showcase their ventures, receive feedback from investors and ecosystem leaders, and explore pathways for growth, collaboration, and scaling within Karnataka's startup ecosystem.

Zinnov Confluence 2026: Shaping the Next Phase of India's GCC Growth

Date: 28th August 2026

Participated in Zinnov Confluence 2026, where Shri Sanjeev Kumar Gupta, CEO, KDEM, joined a leadership discussion on the evolving GCC landscape in India. The session explored the factors shaping future GCC destinations, including leadership depth, infrastructure, quality of life, ecosystem maturity, and the role of emerging cities in building a distributed GCC ecosystem.

Startup Masterclass: Connecting Founders with Investor Perspectives

Date: 31st August 2026

Organized a curated masterclass connecting 11 Karnataka startups with Mr. Subhadeep Mondal from Kalaari Capital for focused discussions on fundraising, venture capital, and investor expectations. The session enabled founders to gain insights into startup evaluation, capital strategy, market scaling, and investment readiness through direct conversations with an experienced investor.

”

“The Hubballi-Dharwad-Belagavi region has reached an important inflection point, evolving from a nascent technology ecosystem into a cluster with a growing base of industry, startups, talent and institutional capabilities.”

MR SANJEEV KUMAR GUPTA
CEO, KDEM

The 6th edition of HDB Techceleration, brought together startups, investors, academia, policymakers and industry leaders at Hubballi to strengthen Karnataka's emerging technology and innovation ecosystem. Held on 2-3 September 2026 at Royal Orchid, Hubballi, the event spotlighted the Hubballi-Dharwad-Belagavi region as a growing innovation corridor beyond Bengaluru.

With a strong focus on AI & Robotics, Electric Vehicles and HealthTech, the two-day programme featured policy dialogues, industry roundtables, an Angel Investor Masterclass, startup and technology showcases, ecosystem sessions and discussions on talent, digital transformation and the future of Karnataka's innovation clusters. The event served as a platform for meaningful connections and collaborations, reinforcing the vision of building a thriving, decentralised technology ecosystem across Karnataka.

UPCOMING EVENTS

Mangaluru Technovanza 2026

Bringing Together the Future of Technology in Coastal Karnataka

WED 23 SEPT | TMA PAI INTERNATIONAL CONVENTION CENTRE

Building on Mangaluru's growing momentum as a technology and enterprise hub under Karnataka's #BeyondBengaluru vision, **Mangaluru Technovanza 2026** is set to bring together #GCCs, #Startups, #Investors, industry leaders, and ecosystem institutions for a landmark technology conference.

The event will explore emerging opportunities across technology, innovation, investment, and global collaboration while creating a platform for stronger industry connections and meaningful partnerships.

Scheduled for **23 September 2026** at **TMA Pai International Convention Centre, Mangaluru**, the conference aims to showcase the potential of the #SiliconBeachOfIndia and accelerate the next phase of growth for Coastal Karnataka's digital ecosystem.

SAMAGRA 2026

From CSR Initiatives to Collective Impact

KDEM, in partnership with the Department of Electronics, IT & BT, Government of Karnataka and AISECT India, is bringing together stakeholders from across the CSR and social impact ecosystem for the inaugural edition of **SAMAGRA 2026 – Karnataka CSR & Social Impact Conclave**. The conclave will bring together government, corporate CSR leaders, industry, academia, NGOs, social enterprises and development organisations to explore how stronger partnerships can create meaningful and measurable impact across Karnataka.

Scheduled for **25 September 2026 at Radisson Blu Atria, Bengaluru**, SAMAGRA 2026 will focus on building strategic CSR partnerships, aligning resources with Karnataka's development priorities, showcasing innovative social impact models and scaling sustainable, outcome-driven programmes. With focus areas spanning skilling and employability, digital inclusion, women empowerment, sustainability and climate action, CSR partnerships, innovation and social impact, and policy and governance, the conclave aims to move beyond individual initiatives towards collective action for a more inclusive, sustainable and future-ready Karnataka.

KEY ANNOUNCEMENTS

Karnataka Acceleration Network (KAN): Enabling Startups to Scale Through Ecosystem Support

KAN Cohort 1 enabled 56 startups to graduate with access to mentorship, investor connections, funding opportunities, and ecosystem support, while Cohort 2 expanded participation across Karnataka, including startups from Beyond Bengaluru regions. With KAN Cohort 3, startups can access structured acceleration, market opportunities, investor readiness support, and stronger industry networks to accelerate their growth journey.

Applications are now open for Karnataka Acceleration Network (KAN) Cohort 3, an initiative of the Department of Electronics, IT, BT and S&T, Government of Karnataka, implemented by KDEM. In collaboration with accelerator partners including JAIN Launchpad and SJCE Science & Technology Entrepreneurs Park (STEP), the programme enables startups to access structured mentorship, business strategy support, investor readiness guidance, and ecosystem connections to accelerate sustainable growth.

The poster features logos at the top for JGI JAIN LAUNCHPAD, Government of Karnataka, K-tech, STARTUP KARNATAKA, Karnataka Digital Economy Mission, and SJCE-STEP. The main text reads 'KARNATAKA ACCELERATION NETWORK (KAN)' and 'APPLICATIONS LIVE NOW'. Below this, it says 'COHORT 3 | NOVEMBER 2026'. The central image shows a rocket launching from a laptop screen, with a QR code on a clipboard in front of it labeled 'Scan to Register'. At the bottom, it states 'Empowering Karnataka's Next Generation High-Growth Startups'. Contact information at the very bottom includes the phone number 9900004828, the website www.jainlaunchpad.com, and the email info@jainlaunchpad.com.
